Caro Luis

Concerteza que temos de nos reunir semanalmente. Esta semana estou com mais tempo na Dssopt para acompanhar e pressionar o evoluir do processo de revisao do contrato de concessão do terreno. Mais logo acertaremos as datas. O unico problema que tenho é que nos dias 16 (sabado) a 20 (quarta) estarei em Portugal para uma reuniao inadiável.

Abraço,

Leonel

Translation:

Dear Luis,

We certainly have to meet weekly. This week I have more time in Dssopt to monitor and apply pressure to the progress of the revision process of the land concession contract. We will set the dates soon. The only problem I have is that from the 16th (Saturday) to the 20th (Wednesday) I will be in Portugal for a meeting that cannot be postponed.

Best,

Leonel
